Flowers in Your Aura: Experiences of an Intuitive Medium

Wednesday, September 14th 7:00 PM (PST)

Announcements & Upcoming Events

We are evolving to accommodate the times of Covid-19. Currently we are doing approximately one zoom meeting per week and are benefiting from the European expertise. We hope to maintain the forum environment as we welcome the audience's questions. Obviously, staying healthy during the times of the Covid virus is important. We welcome your suggestions for speakers.

We hope to continue our monthly in person meetings as well but we are aware that the Cubberly Community Center space may no longer be available to us. When the monthly in person meetings resume, we plan to have at least one monthly zoom meeting.

"The Craving Cure"

Bestselling author and nutritional therapy expert, Julie Ross shares her strategy that has successfully helped thousands of overeaters at her clinics. She uses nutrients called amino acids to quickly restore natural appetite control and eradicate cravings for sugar, chips and pasta. With more than thirty years' experience in the eating disorders and addiction fields, she understands why most of us can't stick to a healthy diet. Our favorite treats are engineered to be addictive. Julia

presents the truth on how we have been hooked to consume addictive foods and tells how we can eliminate our compulsions where they start -- in the brain. She uses amino acids to combat cravings and presents methods for determining which amino acids would be effective. She provides step by step instructions and provides customized plans with tracking tools and recipes.

Meet Meir Schneider

Meir Schneider is a world scholar in the field of natural vision improvement and self-healing through movement. Meir was born with congenital cataracts to deaf parents. He underwent five unsuccessful surgeries that left him with massive scar tissue. He was raised reading Braille until he discovered eye exercises at the age of 16. That helped him to develop vision, from 1% to 70%. Now he can read, write and drive.

He teaches worldwide, and people come from all over the world to his School and Center in Ocean Beach, in San Francisco. He is the author of Yoga for your Eyes, the Kit for Natural Vision Improvement, Movement for Self-Healing, Awakening your Power of Self-Healing, and Vision for Life.
