Announcements & Upcoming Events

We are evolving to accommodate the times of Covid-19. Currently we are doing approximately one zoom meeting per week and are benefiting from the European expertise. We hope to maintain the forum environment as we welcome the audience's questions. Obviously, staying healthy during the times of the Covid virus is important. We welcome your suggestions for speakers.

We hope to continue our monthly in person meetings as well but we are aware that the Cubberly Community Center space may no longer be available to us. When the monthly in person meetings resume, we plan to have at least one monthly zoom meeting.

A **Membership Chair** position is available. Interested persons can contact any board member or email **Susan** at:
susanrdowns@hotmail.com.
Thank you.

"Steps for Natural Vision Improvement"

The Meir Schneider Self-Healing Method combines breathing, unique bodywork, movement and visualization techniques that can help anyone to become more aware of their own body and be empowered to take charge of their own healing. His method is effective to help people to see well (with or without glasses), get rid of computer stress syndrome, help overcome nearsightedness (myopia), teach to not need readers, prevent macular degeneration, glaucoma, cataracts, retinal detachment and others. Meir applied his Method of Self-Healing to help others who suffered from a wide range of degenerative conditions such as polio, muscular dystrophy and multiple sclerosis, in a natural way.

Through his methods, you can learn how you can improve your eyesight and how you can move better, prevent most illnesses with simple exercises. This can be done with simple exercises which can be entertaining and pleasurable. You will also learn how flexible your brain is and find new ways to bring out your body's resources in daily life. Other advantages of his methods include:

- Reducing computer eyestrain
- Overcoming the dependency on glasses
- Improving joint mobility
- Preventing all back problems
- Getting rid of the nagging back pain
- Overcoming headaches

"Steps for Natural Vision Improvement"

Meet Meir Schneider

Meir Schneider is a world scholar in the field of natural vision improvement and self-healing through movement. Meir was born with congenital cataracts to deaf parents. He underwent five unsuccessful surgeries that left him with massive scar tissue. He was raised reading Braille until he discovered eye exercises at the age of 16. That helped him to develop vision, from 1% to 70%. Now he can read, write and drive.

He teaches worldwide, and people come from all over the world to his School and Center in Ocean Beach, in San Francisco. He is the author of *Yoga for your Eyes*, *the Kit for Natural Vision Improvement*, *Movement for Self-Healing*, *Awakening your Power of Self-Healing*, and *Vision for Life*. His books and programs have been translated into twenty different languages. He believes strongly in self-healing without limit.
