Announcements & Upcoming Events

We are evolving to accommodate the times of Covid-19. Currently we are doing approximately one zoom meeting per week and are benefiting from the European expertise. We hope to maintain the forum environment as we welcome the audience's questions. Obviously, staying healthy during the times of the Covid virus is important. We welcome your suggestions for speakers.

We hope to continue our monthly in person meetings as well but we are aware that the Cubberly Community Center space may no longer be available to us. When the monthly in person meetings resume, we plan to have at least one monthly zoom meeting.

There are many oxidizing substances such as oxygen, ozone, hydrogen peroxide, and iodine. The body harmonizes by maintaining a healthy balance of oxidants and antioxidant. Learn about chlorine dioxide and see if it can be of use to you.
